

How do you track hours worked for nonexempts?

Despite plenty of new high-tech options, good old-fashioned paper time sheets remain the most popular way to record how many hours employees work, according to a recent poll of visitors to <a href="telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-tech-new-many-telephoto:the-
