

Unions win more elections during Trump administration

Unions won 1,013 organizing elections in 2017, the first year of the Trump presidency. That's up from 998 elections in 2016, says a new NLRB report. The union winning percentage was 71% in 2017, down a bit from 72% the year before. For tips on how to respond to a union election, go to www.theHRSpecialist.com/unions.
